

in my search for husband's family EMMUEL, I am unable to trace them beyond 1860's. (In Mobile and surrounding AL counties). Would greatly appreciate if you would check for that surname. There are many variant spellings that make it a pill to search. Great job you're doing.

Pat,

Just a note to let you know I recieved your package of information today. I appreciate it very much and hope all the folks in SE MS realize how lucky they are to have someone like you to help them. You have to be one of the most organized individuals I know.

It will take me a while to digest all of this, but when I get all of these WARDs straightened out I will be sure to share it with you & the library. A check to cover the postage and copying will be in the mail in the AM.

Thanks again!

Ron
